Page 7: Christian Ethic

Impact Summer Camp Internship exists to raise young leaders who will live the 9 Biblical Lifestyle centered on God's presence bringing transformation to their cities through intercession, miracles, signs, and wonders.

As a believer, we seek to be imitators of God and to walk worthy of the calling we have received (Ephesians 4 & 5). As a follower of Jesus your life represents Him at all times. As an intern at ICSI, you also represent the broader Impact community. “For the grace of God has appeared that offers salvation to all people and teaches us to say no to ungodliness and worldly lusts, and to live soberly, righteously, and godly in the present world” (Titus 2:11-12). Your lifestyle in and outside the walls of Impact Camp should be above reproach and an example of love, purity, and holiness to those around you.

All Interns should be believers who passionately seek to know, love, and serve God and is willing to lay down his/her life in purity, vulnerability, and power in order to see the Kingdom of God advance across the earth.

We are asking you to lay down your life in order to become all that God intends for you. This begins by being transparent as you answer the following personal questions. Our intention is not to highlight sin, as we know believers are forgiven and are new creations in Christ. However, it is helpful for you to seriously consider our expectations in order to know if you will thrive as an intern at Impact Camp.

Responsibilities of the internship demands a high level of self-control. Impact Camp Summer Internship is not a recovery program so your success here requires that you already exhibit self-management as a lifestyle. If you are still determining your commitment to Christ, to holiness and to personal wholeness, we are not the internship for you. If this is the case, God has a better place for you at this stage of your life.

If you are in agreement with our expectations, then continue to fill out the application below. Honest answers to these questions are mutually helpful in deciding if ICSI is a fit for you at this time; they also lead to a more effective admissions interview. Having had setbacks or struggles in these areas does not automatically disqualify you from being accepted as an intern.

I verify I have read and agree to follow the Christian Ethic Guidelines during my time at Impact Camp Summer Internship.
